Fountain Industries Supports Charlotte's Trips for Kids

Albert Lea, MN, August 15, 2013---Fountain Industries LLC is proud to have partnered with and provided product assistance to Trips for Kids in Charlotte, NC. They are now the proud owners of an EcoMaster 5000 aqueous parts washer.

Trip for Kids Charlotte has a fundamental belief that cycling is an empowering sport that can help kids achieve "breakthrough" results in their lives. They are a group that makes a difference in the lives of kids and believe that cycling is a perfect medium for making that difference.

The Trips for Kids Charlotte uses cycling as a tool to prepare kids for success. The TFKC experience focuses kids on:

- Respect
- Honesty
- Teamwork
- Overcoming challenges
- Healthy and safe lifestyles
- Service

These experiences equip kids with tools for building positive accomplishments and relationships in their communities and in their lives.

Paul Cunningham of TFKC tries out the new Fountain EM5000

The TFKC Re-Cyclery takes donated, used bicycles and repairs them to become safe, rideable bikes. The Re-Cyclery uses a wide variety of bicycle tools, workbenches and stands, recycled and new parts, and an experienced staff coordinator to supervise and review the work. Fountain Industries is proud to add to the professional tools in The Re-Cyclery.

The recycled bikes are used in the Earn-A-Bike Program, which offers kids a chance to earn their own bike by completing a series of hands-on lessons in basic bike mechanics and bike safety, which also focus on personal responsibility, achievement and self-empowerment.
